WELCOME / SCHOOL MESSAGE

A Year to Remember

As we come to the end of a wonderful school year, we reflect with pride on how much our children have grown. From their first days of curiosity and discovery to newfound confidence and friendships, each child has made this year truly special.

This book captures precious memories, milestones, and moments that tell the story of a year filled with learning, laughter, and love. We are grateful to our parents for your continued support and partnership, and to our amazing learners for filling our classrooms with joy.

We wish all our children success as they take their next steps forward. May you always remain curious, kind, and brave.

With love,
Kiddies Academy Team 2025

CLASS MESSAGES

Bee eaters

Our toddlers have taken their very first steps into school life with curiosity and joy. Through play songs, and daily routines, they have begun developing confidence, independence, and trust. Every smile, word, and milestone has been a celebration, and we are so proud of their growth this year.

Busy bees

Our Early Preschool learners have grown in confidence and independence this year. They explored new ideas through play, stories, and creative activities, while learning to share, communicate, and work together. Their curiosity and enthusiasm made every day exciting and meaningful.

Woodpeckers

Our Preschool learners showed wonderful progress in learning, creativity, and problem-solving. They developed early literacy and numeracy skills while building strong friendships and self-confidence. Their readiness for the next stage of learning is something we celebrate with pride.

Honeybadgers

Our Special Needs learners have shown remarkable growth in their own unique ways. With patience, encouragement, and care, they have developed important life skills, confidence, and independence. We celebrate every achievement—big and small—and are incredibly proud of their courage and determination.
